

THE POWER OF PEOPLE

Proposed Revisions to Corporate Policies

NPPD Board of Directors Meeting
February 2023

Conrad Saltzgaber, Chief Audit and Ethics Officer

Nebraska Public Power District
Always there when you need us

Corporate Nuclear Governance and Oversight (CNGO)

- Incorporated organizational changes as a result of termination of the Entergy contract
- Updated Titles
 - Vice President and Chief Nuclear Officer to Chief Nuclear Officer (CNO)
 - Director of Nuclear Independent Oversight

Electric Reliability Compliance Program (ERCP)

- Added Vice President of Human Resources & Corporate Services to the Steering Committee
- Changed titles to reflect current organization
- Changed potential violation to potential non-compliance (PNC) to align with North American Electric Reliability Corporation (NERC) terms
- Other miscellaneous clarifications and edits

Energy Market Risk Management (EMRM)

- Changed name to Energy Market Risk Management (EMRM)
 - Formerly Energy Risk Management (ERM)
- Simplified Chief Information Officer (CIO) title in the document
- Changed the acknowledgment of the Chief Financial Officer (CFO) in the exception report
 - “I acknowledge receipt of the information and understand the actions taken to reduce this exception in the future”
 - Previously, the CFO acknowledged the information is true and accurate

Enterprise Risk Management (ERM)

- Changed name to Enterprise Risk Management (ERM)
 - Formerly Strategic Risk Management (SRM)
 - Better aligns with industry
- Simplified Chief Financial Officer (CFO) title in the document

Financial Management (FM)

- Made changes to align with investment policy titles

Nuclear Risk Management (NRM)

- Incorporated organizational changes as a result of the termination of the Entergy Contract
- Changed title from Vice President and Chief Nuclear Officer to Chief Nuclear Officer (CNO)
