

BOARD TRAINING AND ORIENTATION

The Board will obtain training, development, and orientation to assure excellence in governance. Specifically:

- a. Newly elected or appointed Directors shall receive an orientation which will include an overview of the District's governance policies.
- b. Directors shall be offered and encouraged to receive training in the skills of effective governance, communication, and decision-making.
- c. The Board Chair and Board Committee Chairs shall be offered and encouraged to receive training in the facilitation of public meetings.
- d. Directors shall receive training on any laws and regulations pertinent to their duties as a Director and Board Officer.
- e. Directors shall be offered and encouraged to receive regular training with respect to understanding trends and developments in public power and the energy industry.
