Original Scope

- Original Task Authorization, with Power Engineers (now called WSP), was approved at the September 2012 Board Meeting and provided funding for:
 - general engineering
 - route selection and design engineering
 - structure and foundation design
 - electrical systems engineering
 - right-of-way acquisition
 - surveying
 - construction management services
 - environmental surveys, studies, and reports

Amendment No. 6

Amendment 6 covers the updated support costs to complete the project which includes higher cost of labor and additional services under the categories listed in the original scope.

Cost Summary:

Original Agreement	\$26,556,127
Amended to Date	12,294,269
This Amendment No. 6	<u>35,969,179</u>
Total Authorized Amount	\$74,819,575

Current project funding will cover all costs in 2026.

A project supplement is planned for the 2027 budget to fully fund this project/work.

Recommendation

Approve Amendment No. 6 to Task Authorization No. 4700001584 with WSP for \$35,969,179.
